About Us

Business Excellence Consultancy is one of the best in class in QHSSE services including **OSHAD Auditing &/or Consultancy, Consultancy for ISO Certification of Management Systems against 9001; 14001; 45001, 22000, 27001, 50001 etc. and ACTVET accredited Trainings** to help clients meet their ever-growing challenges in the areas of quality, health, safety and environment.

As a trusted partner, BUSINESS Excellence Consultancy offers innovative turnkey solutions that go beyond simple **compliance with regulations and standards**, thereby helping you to reduce risks to health & safety, security, environment, finance, in order to improve performance and promote sustainable development in order to be the industry leader in the market.

Our Vision

To be the leader in the market in the kind of our services.

Our Mission

To deliver top notch services aimed at total customer satisfaction at competitive prices.

Our Values

- **Integrity and Ethics:** We act with good faith; honesty and fairness:
 - we do what we say
 - we state clearly our contracts and actions and deliver them accordingly
 - we follow company policies and procedures
 - we respect confidentiality of business and personal information
 - we respect professional standards
- **Customer Satisfaction:** We work towards total customer satisfaction, thereby not only meeting, but exceeding their needs and expectations, implied and un implied, with respect to:

- statutory and regulatory requirements applicable to their business
- Their clients' requirements
- Their internal requirements to reduce waste of all kinds and improve efficiency, thereby helping them to operate in an optimally fashion
- **Dedication:** We work passionately in order to achieve our mission and programs set therein
- **Respect:** We treat others as they should be treated, hence considering the impact of our personal actions on others, recognize individual contribution, receive accurate feedback on our performance, respect differences, and do not discriminate against others regarding race, ethnicity, origin, age, sex or religious and political beliefs
- **Creativity and Innovation:** we firmly believe in innovation, therefore we always strive to bring it to our approach and methodology

Our Quality Policy

The top management is committed to delivering highest quality services aimed at total customer satisfaction by

- listening to our customers' voice so that we can understand, meet and exceed their needs and expectations in terms of
 - courtesy of staff
 - timeliness
 - accuracy and completeness through our dedicated personnel who have the knowledge, skills and attitude, in their respective fields
- striving to be perceived by our customers as one of the best in class

Business Excellence Consultancy

- Setting quality objectives for performance improvement
- In the market for the kind of services, we are engaged in
- Continually improving our services, procedures and processes
- making facts-based decisions
- working towards making our business the best in its kind so that all the stake holders, especially employees take pride in being part of it, through communicating with them effectively; soliciting their ideas; opinions; suggestions; feedback and responding appropriately; quickly and effectively
- In the event that one of our customers has a complaint regarding our service(s) or our action(s), reacting immediately and resolving it in the best possible manner
- doing what we have agreed to, keeping our customers informed of progress all the times, wherever possible
- Complying with all the applicable requirements including legal requirements, and

Our principles - We work in line with 'International Best Practices'
